## Travel Plans

We will travel to and from Wisconsin together. We leave the church Monday morning (July 12) and return Saturday afternoon (July 17). The drive is approximately 5 1/2 hours.

## Why Go to Camp?

Camp is a blast! This experience will facilitate group bonding, spiritual challenges, meaningful worship times, quiet times, loud and crazy times, fellowship with other church groups, great memories, and an excitement about life with Christ! We highly value the fact that relationships are formed between students and leaders who will continue to interact with each other and see each other throughout the year at Covenant Junior High Ministry activities.

## The Great Escape Purpose:

To use age-appropriate programming to meet middle school students exactly where they are and to show them the love of Jesus. We have to understand where kids are today to better reach and communicate to the wide range of their needs.
